We will consider, but do not have to agree to, such requests.
3. **Right to Request an Amendment of Your Health Information.** You have the right to request an amendment of your Health Information. We may deny your request if we determine that you have asked us to amend information that: was not created by us, unless the person or entity that created the information is no longer available; is not Health Information maintained by or for us; is Health Information that you are not permitted to inspect or copy; or we determine that the information is accurate and complete. If we disagree with your requested amendment, we will provide you with a written explanation of the reasons for the denial, an opportunity to submit a statement of disagreement, and a description of how you may file a complaint.
